

## Information about procedures during the alarm state

**As the different public administrations have reported, due to the evolution of COVID-19 in Spain and the publication of the Alarm Decree, many procedures have been paralyzed:**

- Appointments for the issuance of documents AT the National Police are suspended. The terms for renewal are suspended.
- Before the Foreigners Office, previous appointments are suspended. When the Alarm Status ends, new appointments will have to be requested.
- The terms for all types of resources are suspended. Both judicial and administrative procedures. The deadlines will be valid again when the Alarm Status ends.
  - Asylum procedures at Police Stations, requests for International Protection and red cards are paralyzed during the State of Alarm. The documentation will be renewed and new appointments will be given when this period ends.
- The language tests of the Instituto Cervantes for DELE and CCSE nationality are suspended. New dates will be announced later.
- Civil Registries will paralyze their activity during the quarantine period. They will only will manage the registration of births and deaths.

**From Andalucía ACOGE we want to communicate quiet and patience. It is necessary to follow the official recommendations and, please, stay at home during this quarantine.**
